

The SGGA has awarded the 2010 tag distribution program to JVK. JVK is the exclusive distributor of Mastertag products in Canada and are looking forward to working with us this year. If there are any questions in regards to this year's tag program please contact the SGGA office or JVK directly. JVK would also be happy to mail you catalogues. Ms. Janet Jackson at the JVK Tag Department is our main contact and she can be reached at 1-800-665-1642 (ext 2309) or by email at JJackson@jvk.net.

Note: you will NOT be required to send in a letter of good standing with your tag order. Instead the SGGA office has provided JVK with a list of 2010 member companies. The list will be updated as memberships are renewed. If your name is not on their list then check with the SGGA office. Memberships must be updated by the time JVK does their billing to ensure you get the discount!
